Feedback on team dynamics:

1. How effectively did your group work? (List at least 3 things)

1. Our group was proficient in managing the time (finding a time to meet and everyone staying on schedule).
2. Our group was proficient in being open minded to each other's ideas.
3. Our group was proficient in working through a people tracking and design process together and adding to each others ideas

2. Were the behaviors of any of your team members particularly valuable or detrimental to the team? Explain. (List at least 3 things)

1. Everyone replied to messages within 5 hours of it being sent.
2. We keep track of each other's work, i.e. if someone forgets something we can catch it.
3. We helped each other whenever someone was stuck at a specific task. Everyone used their expertise efectively.

3. What did you learn about working in a group from this project that you will carry into your next group experience? (List at least 3 things)

1. Timeline planning is crutial to a successful project.
2. Never use Jira, use anything but Jira.
3. Discord is an efficient platform for communication instead of Slack.
4. Some python dependencies can be hard to download and can take a lot of storage
