

### Peer Evaluation Form for Group Work

Group number Group 12

Your name Ryan/Jeduson/Mani

Write the name of each of your group members in a separate column. For each person, indicate the extent to which you agree with the statement on the left, using a scale of 1-4 (1=strongly disagree; 2=disagree; 3=agree; 4=strongly agree). Total numbers in each column.

| Evaluation Criteria                                      | Member:<br>Ryan | Member:<br>Mani | Member:<br>Jeduson | Member: | Member: | Member: |
|----------------------------------------------------------|-----------------|-----------------|--------------------|---------|---------|---------|
| Attends group meetings regularly and arrives on time.    | 4               | 4               | 4                  |         |         |         |
| Contributes meaningfully to group discussions.           | 4               | 4               | 4                  |         |         |         |
| Completes group assignments on time.                     | 4               | 4               | 4                  |         |         |         |
| Prepares work in a quality manner.                       | 4               | 4               | 4                  |         |         |         |
| Demonstrates a cooperative and supportive attitude.      | 4               | 4               | 4                  |         |         |         |
| Contributes significantly to the success of the project. | 4               | 4               | 4                  |         |         |         |
| TOTALS                                                   | 24              | 24              | 24                 |         |         |         |

Feedback on team dynamics:

1. How effectively did your group work? (List at least 3 things)

1. Our group was proficient in making time to meet each other.
2. Our group was proficient in being open minded to each other's ideas.
3. Our group was proficient in sharing and adding to each other's ideas to enhance the project.

2. Were the behaviors of any of your team members particularly valuable or detrimental to the team? Explain. (List at least 3 things)

1. Everyone replied to messages within 5 hours of it being sent.
2. We keep track of each other's work, i.e. if someone forgets something we can catch it.
3. We tend to over engineer tasks during brainstorming, we are aware and actively simplify requirements when caught.

3. What did you learn about working in a group from this project that you will carry into your next group experience? (List at least 3 things)

1. Timeline planning is crucial to a successful project.
2. Never use Jira, use anything but Jira.
3. Discord is an efficient platform for communication instead of Slack.
